BATHROOMS

Inside: See our complete £5,000 Bathroom Bundle.

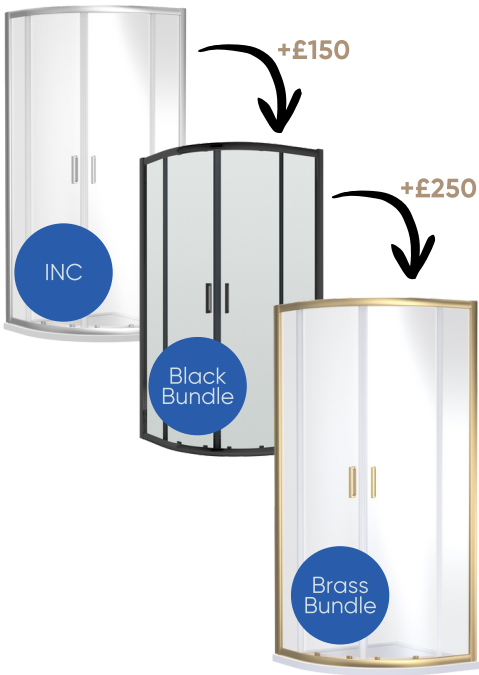

How It Works

Your New Bathrooms Made Simple

We've taken the stress out of choosing a new bathroom.

With Mammoth's £5,000* Bathroom Bundle, everything is included: furniture, panels, flooring, taps, lighting, and full installation. You simply pick your preferred style, we take care of the rest.

It's one fixed price, one team, and one easy process from start to finish.

Choose Your Look

Every Bathroom Bundle comes fully fitted with chrome fixtures as standard – taps, showers, and accessories that look great in any bathroom.

You'll also choose from a selection of vanity units, each designed to suit different styles and spaces.

From there, you can customise your bathroom with our range of simple extras – from black and brass upgrades to tallboys, tile panels, and more.

Every option is clearly priced and completely optional, so you can build your bathroom exactly how you want it. While keeping full control of your budget.

Switch up your look! Prefer a bold black or warm brass finish?

Chrome – Included

Black + £150

Brushed Brass – £250

How Pricing Works

Every bathroom starts from **£5,000* fully fitted**, including VAT.

Prices shown throughout this brochure are simple:

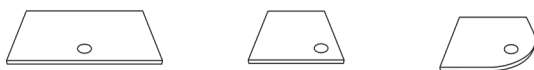

-  included in your £5,000 bundle
-  optional upgrade or extra, shown with a price bubble.

That's it. No hidden fees, no guesswork.
What you see is exactly what you pay.

*£5,000 fixed price is based on a like-for-like replacement in a standard 2m x 2m bathroom. Larger rooms or additional work may incur extra costs.
